And you leave without doing it.

Huh?

Bulls-eye?

What's that? You got dumped?

What?

What was wrong with her?

It's not like that!

Ma... Mako didn't do anything wrong!

The one at fault

It was me. I was ...

Mako did

nothing wrong.

me.

Everything ...

was all my ...

the one who ran away ...

Some-where in your heart

you blame her.

Don't lie, Keita.

POKE

That's why

you're not over her.

PAT

Huh?
What I've paid is alright?
...
ROLL

I'll keep my daily life going.

I'll bury those times

In my comfortable routine

Those irregular days

Man, what a pain.

Test the pressure 5 times each.

We're doing a strength check for all temp ranges.

It's your job, Asakura.

I'll bring Chen.

Next time, can I come play at your new place?

Oh, Chief.

Drop by whenever.

Yeah! Come over.

will be buried.

I'll forget her.

Sunday's great!

What's on... Sunday?

Sunday?

Alright, how about this Sunday?

Hell yeah!!

Ah.

The boss's house party.

That family party for the sake of my career.

Inside these fun days...

Do you want sushi or pizza?

— For sure.

Yeah! Sushi! Sushi!

I see.

I heard that you strongly opposed it.

Even though Satou was such a nice man.

Mako's engagement is over.

209

Satou told me about it...

If it fell apart just because I said no

then it was never going to last.

Well... I guess --

Mako

She asked her aunt for another interview.

She

plans to keep going.

CLENCH!

What's wrong?

THMP

?

...What would be

Just thinking about Mako.

It's Noi nothing.

Sorry to keep you waiting.

the best thing for her to do.

'Kay.

..Huh?

Awesome Keita!

Whoa!

I beat it!

SLU

LEAN

With your advice, it was a peice of cake.

Yeah! Those elements matter.'

With this I can catch up to those other girls here.

If I co-op with you, I can do it even faster

Ah... sorry, but I lost my system.

You're paying a lot to come here.

But, are you alright with playing games?

You won't do it? Don't wanna break your streak or something?

I'm... scared.

Hm?

To do it...

If it feels good

I'll start wanting... a "girl".

I DID TRY!

Until I wore myself out!

I...

...but

tried...

Want it! Want it!

Then want one! Nothing wrong with that!

PULL

PULL

It's not gonna be given to you!!

You've gotta try for it, Kelta!

But! There's no way I can get one!

I don't know what

"true love" means ...

Nobody taught me how to go out with girls.

Even so, I tried on my own! I just made a fool out of myself!

If it takes more trying than that, then fuck it!

I'm done! Leave me alone!

when you think of your partner maybe it's...

Though [illegible] know what "true love" is,

as for "love",

leave you alone.

if you want that, then fine.

...But

SOB

SOB

and you can't help agonizing over them, y'know?

At least, if you're like this, hanging your head and whining,

then you won't get anything, much less love.

Cmon,

Is this how you want to play?

Then be sure to treat me right!

I'm cold,

Nono.

SQUEEZE

As I thought,

it's still here.

...Sorry.

An...

ZIP

ZIP

Satou's game system.

Hey, Keita, I don't know how to beat this guy...

Wha? Anh, Vornodos?

He's weak to water.

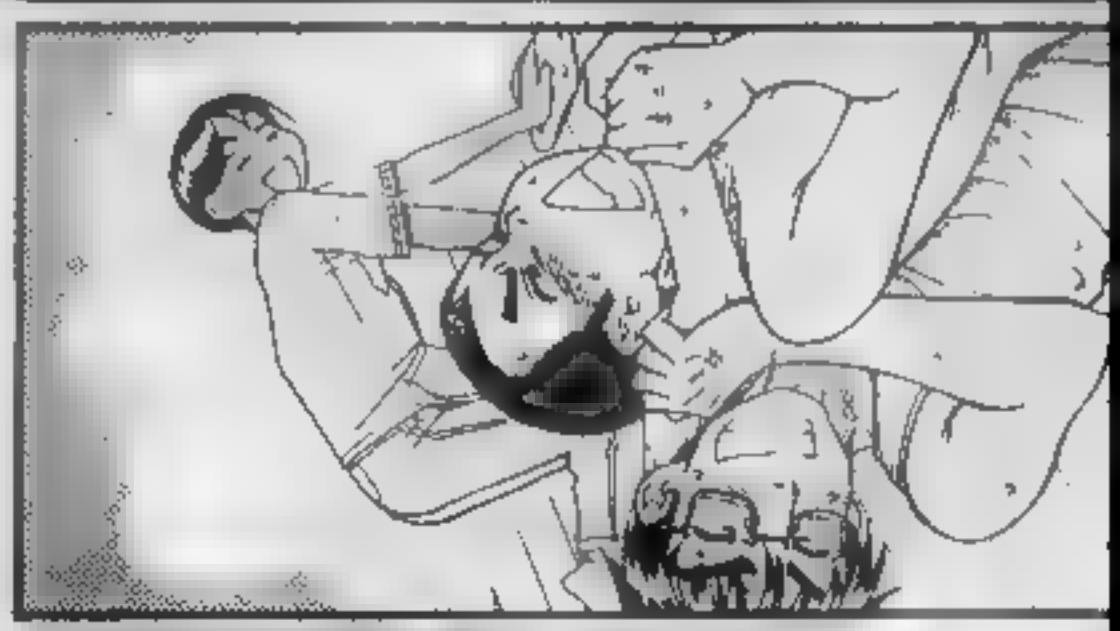
Water? I've got nothing with that.

I-In that case, you've gotta get some Mizushima parts for a weapon.

Hey! Hey! what do I do?

Hm?
It doesn't work?
Huh ...?
TAP
TAP
Oh.
It's dead...
The battery's dead...
I'm here too.
I'm here to play!
Whoa! This place is big.
We'll keep going till the last train!
So you bastards made it!
Whoa! Sushi! It's sushi!
Chief! As promised ...

Knock
Knock



To the future of the company and the factory!

Cheers!

Everyone! Thank you for coming!

Well, I'm sure you don't want to hear me make a long speech.

Raise your cups!

Dammit, Keita!! I just ask for this one thing

And you're not here.

See you at work tomorrow

G'night, Chief!

Later, Chief!!

That idiot!

Later, guys!

Yeah!

I haven't matured at all.

I'm the same as I was as a kid.

...what am I, twelve?

The lively part is over and now I'm lonely...

No matter what I do.

gonna change.

ROLL

Ah, I can't believe I skipped out on the boss' party.

...Well, even if I went, I'd be useless with all of the families there.

What-ever... nothing's ...

Should I... have gotten married too?

Mako

Now... what is she doing?

Mako

Is still ...

I'm so stupid.

もぞっ

We cut ties, but

Even though there's no point in thinking about it

She cut ties with me.

Wahhh Ahhh

ばた！

じた

ばたっ！

Ahhh

Wahhh

Ahhh!!

Fuck!

Look at me!! I disappoint them! I disappoint myself!

What's with women!

I hate this!

Why do I feel this way?

Fuck!!

Fuck! Fuck!!

Even though... I'd always tried to avoid this.

Fuck!

THUMP

THUMP

Mako...she

Mako!

THUMP

When was the last time... I flipped out in the middle of the night?

THUMP

I can't have her!

Why!? Fuck!!

Mako!

Mako!!

Mako!!

Mako believed in me!

I knew that!!

But I couldn't do it!!

Mako!

Mako! Mako!!

Mako Mako Mako!!

I'm shit!

Hurry!

Call Dr. Inoue!

Hurry, Doctor! It's time...

for surgery!

Call the family.
